our traditional image of chicago as a gritty metropolis carved into ethnically defined enclaves where the game of machine politics overshadows its ends is such a powerful shaper of the city s identity that many of its closest observers fail to notice that a new chicago has emerged over the past two decades larry bennett here tackles some of our more commonly held ideas about the windy city inherited from such icons as theodore dreiser carl sandburg daniel burnham robert park sara paretsky and mike royko with the goal of better understanding chicago as it is now the third city bennett calls contemporary chicago the third city to distinguish it from its two predecessors the first city a sprawling industrial center whose historical arc ran from the civil war to the great depression and the second city the rustbelt exemplar of the period from around 1950 to 1990 the third city features a dramatically revitalized urban core a shifting population mix

that includes new immigrant streams and a growing number of middle class professionals working in new economy sectors it is also a city utterly transformed by the top to bottom reconstruction of public housing developments and the ambitious provision of public works like millennium park it is according to bennett a work in progress spearheaded by richard m daley a self consciously innovative mayor whose strategy of neighborhood revitalization and urban renewal is a prototype of city governance for the twenty first century the third city ultimately contends that to understand chicago under daley s charge is to understand what metropolitan life across north america may well look like in the coming decades

street smart wickedly funny piercingly perceptive and eloquent enough to win a pulitzer prize mike royko continues to have legions of devoted fans who still wonder what royko would have said about some outrageous piece of news one thing he hardly ever wrote or talked about though was his private life especially the time he shared with his first wife carol she was the love of his life and her premature death at the age of forty four shook him to his soul mike's unforgettable public tribute to carol was a heart wrenching column written on what would have been her forty fifth birthday november farewell his most famous and requested piece it was the end of an untold story royko in love offers that story's moving and utterly beguiling beginning in letters that mick royko then a young airman

wrote to his childhood sweetheart carol duckman he had been in love with her since they were kids on chicago s northwest side but she was a beauty and he was well anything but before leaving for korea he was crushed to hear she was getting married but after returning to blaine air force base in washington he learned she was getting a divorce mick soon began to woo carol in a stream of letters that are as fervent as they are funny collected here for the first time royko s letters to carol are a mixture of sweet seduction sarcastic observations on military life a chicago kid s wry view of rural folk the pain of self doubt and the fear of losing what is finally so close but literally so far his only weapons against carol s many suitors were his pen his ardor and his brilliance and they won her heart
