communication ethics are approached from five perspectives altruistic egotistic autonomous legalist and communitarian in essays examining the thought of major thinkers ranging from aristotle to the dalai lama each profile provides insight into how important ethical concepts can help the modern communicator provided by publisher

a rapid and widespread growth of interest in applied ethics is occurring today not only in the united states but around the world as well academia both reflects this and is a leader in the movement the field of speech communication shares in this increased sensitivity to ethical concerns students and the general public are looking for thoughtful analyses and guidance in all areas of communication ethical concerns relative to mass communication have been the subject of a number of books but only a very few cover the entire scope of communication to include interpersonal intercultural organizational small groups and public speaking this book tries to fill that need by discussing ethical concerns as they emerge in the areas of the communication process the communicator the message the media the audience and the situation the speech communication field now has a need to digest and synthesize the existing research findings and the general literature in the field and in related humanities and social science works into a coherent and nontechnical discussion this volume explores the most up to date materials to provide just such a synthesis an extensive bibliography at the end of the book gives readers the sources on which the book is based and offers ample avenues for further personal exploration the book should provide meaningful food for thought as readers grapple conscientiously with the many everyday decisions made in communication transactions and in evaluating the communication of others

proponents of professional ethics recognize the importance of theory but also know that the field of ethics is best understood through real world applications this book introduces students and practitioners to important ethical concepts through the lives of major thinkers ranging from aristotle to ayn rand john stuart mill to the dalai lama some two dozen contributors approach media ethics from five perspectives altruistic egoistic autonomous legalist and communitarian and use real people as examples to convey ethical concepts as something more than mere abstractions readers see how confucius represents group loyalty gandhi nonviolent action mother teresa the spirit of sacrifice each profile provides biographical material the individual s basic ethical position and contribution and insight into how his or her moral teachings can help the modern communicator the roster of thinkers is gender inclusive ethnically diverse and spans a broad range of time and geography to challenge the misperception that moral theory is dominated by western males these profiles challenge us not to give up on moral thinking in our day but to take seriously the

abundance of good ideas in ethics that the human race provides they speak to real life struggles by applying to such trials the lasting quality of foundational thought many of the root values to which they appeal are cross cultural even universal exemplifying these five ethical perspectives through more than two dozen mentors provides today s communicators with a solid grounding of key ideas for improving discussion and attaining social progress in their lives and work these profiles convey the diversity of means to personal and social betterment through worthwhile ideas that truly make ethics come alive

while most business ethics texts focus exclusively on individual decision making what should an individual do this resource presents the whole business ethics story highly realistic readable and down to earth it moves from the individual to the managerial to the organizational level focusing on business ethics in an organizational context to promote an understanding of complex influences on behavior the new fifth edition is the perfect text for students entering the workplace those seeking to become professionals in training communications compliance in addition to chief ethics officers corporate counsel heads of human resources and senior executives

broad in scope yet precise in exposition the sixth edition of this highly acclaimed ethics text has been infused with new insights and updated material richard johannesen and new coauthors kathleen valde and karen whedbee provide a thorough comprehensive overview of philosophical perspectives and communication contexts pinpointing and explicating ethical issues unique to human communication chief among the authors objectives are to provide classic and contemporary perspectives for making ethical judgments about human communication sensitize communication participants to essential ethical issues in the human communication process illuminate complexities and challenges involved in making evaluations of communication ethics and offer ideas for becoming more discerning evaluators of others communication provocative questions and illustrative case studies stimulate reflexive thinking and aid readers in developing their own approach to communication ethics a comprehensive list of resources spotlights books scholarly articles videos and sites useful for further research or personal exploration

how can ethics be communicated in an age of globalisation is it possible to overcome cultural differences and agree on common values and principles that cross cultural borders how does globalisation challenge ethics and established moral traditions how are human rights justified in a global context this timely collection of essays responds directly to these questions an international team of contributors pursue issues in ethics information and communication that include both the classical question of the universality contextuality of ethics and values but also new challenges for communication relating to how values and norms are communicated and shared across cultural and political borders the essays in this book explore theoretical questions of global ethics and ethical universalism ethics and communication with reference to specific world views and religions and the challenge of globalisation for ethical communication in particular social arenas
