relations between the united states and south africa or the parts of the world these nations now occupy go nearly as far back as the very beginning of their inception as permanent european colonial intrusions this book is a critical overview of these relations from the late seventeenth century to the present unprecedented in its scope and supported by substantive and detailed notes together with an extensive bibliography chronology glossary and appendices the book distinguishes itself from extant works in a number of other ways set against the backdrop of a wider interdisciplinary exploration of both ideational and structural issues of historical context it not only gives attention to the importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geo political location of south africa within southern africa where the presence of other nations particularly angola mozambique namibia and zimbabwe looms large methodologically written from

the perspectives of both traditional narrative history and khaldunian interpretive historical analysis the book consequently sits at the interdisciplinary interstice of political economy and sociology where the aim is to advance our understanding of the braudelian interconnectedness of world history as an important diachronic determinant of the diplomacy of foreign relations written for both scholars and policy analysts this book s examination of the agency of the marginalized should also be of interest to activists and the reading public

mia s happy marriage is shattered when a brain tumor begins to change her husband s personality beyond recognition as frederik becomes ever more a stranger before her eyes the revelation that he has used his position as headmaster to mbezzle millions from his school s treasury turns mia s private crisis into one that involves the community but this disgraceful crime could become mia s salvation working with a defense lawyer to build frederik s case they wrestle with the latest brain research the question of free will and their growing attraction to each other consumed by her new obsessions mia must reexamine everything she thought she knew about her marriage and herself as she too starts to change
