mark devries offers an approach that brings teens into one to one relationship with older christians involves the whole church family from singles to seniors and frees pastors and leaders from worrying about attendance budget and competition with other programs

youth ministry succeeds because it directly reflects jesus christ s approach it s not overvalued today it s undervalued the hard work required for its success has been misunderstood and misrepresented the first part of the book establishes that case and analyzes the pros and cons of current varying philosophies and approaches merging their best aspects into the holistic approach demonstrated by christ part 2 introduces attachment relationship ministry arm a lens distinguishing four primary adolescent relational styles depending on how secure or insecure teens

are with god and parents part 3 encourages strategic relational ministry sensitive to those styles explaining why youth leader efforts succeed or fail chapters offer realistic discipleship and evangelism suggestions depending on attachment styles and practically empowering youth workers volunteers newbies experts and interns to focus energy and time more wisely these recommendations relate to spiritual formation leadership selection parental approach and trending issues such as ministry to lgbtqia teens for too many teens today feeling insecure in crisis is a way of life learn how to take what you ve done well and make it better all church leaders should read this book logging the critical importance of providing ministry specifically targeting teenagers today

this book fills in gaps in research on leadership development programs for youth through taking the opportunity to research a long standing leadership development program for young men that has evidenced some success the research question was what factors contribute to the apparent success of the boys brigade leadership program using a grounded theory methodology the program was examined through the lenses of communitas liminality servant leadership masculine spirituality rites of passage and wilderness research findings are that program is characterized by its uniqueness and the final theory that emerged identified the importance for youth ministry of acceptance imperfection and freedom and empowerment within an overarching spiritual dimension evidenced throughout the study most remarkably through the positive response to worship staff factors were also critical including the description of the staff team as being multi generational non hierarchical and servant led not placing a high value on differentiation of status and allowing a seamless transition of course graduates into staff roles

starting right thinking theologically about youth ministry is the first academic textbook that introduces youth ministry students whether undergraduate or graduate level to a marriage of solid research real life and accessible design whereas most college level texts may reflect a thorough though impenetrable mastery of the field they tend to expect readers to plow through unnecessarily thick prose and bland design because it s good for them youth specialties doesn t agree in this debut title to a continuing academic book line college and seminary students will be introduced to real life research real life youth ministry dilemmas and real life solutions contributing writers represent a spectrum of christian education thought and practice as well as widespread recognition in their field transdenominational yet the perfect background to ministry in any denomination or ministry organizationthis text includes thorough indexes design and graphics that compel readers from page to page now that s a first for a college text organization that permits professors to use any part of the text in any order rather than plod through the entire book from beginning to end a perfect primary

text that gives students a rich academic and readable though not popular grasp of every aspect of youth ministry a typical intro course touches while also serving as an ideal secondary text

virtually all churches aim to invest meaningfully in the faith development of the younger generations who have been entrusted into their care some churches have a longstanding track record of faithfulness in living out this commitment some lose sight of this priority over time and allow their intentionality to fade this book makes a distinctive contribution to our understanding of children s youth and young adult ministries by appropriating erik erikson s concept of generativity the interest in establishing and guiding the next generation as a way of exploring congregational life eleven accomplished authors representing five different countries provide diverse theological and cultural perspectives on key aspects of what it means for churches to invest intentionally in the faith development of the members of emerging generations their chapters challenge us to think about the intergenerational dynamics of our churches the crucial partnership between church and parents and what it means to involve young people meaningfully in the life of the church the intriguing topics explored by this group of authors and the diverse contexts from which they write promise to broaden and enrich our thinking about caring for children youth and young adults as a vital responsibility shared by the entire congregation

ministry handbook for the first year youth pastors in korean american church context

one of the big problems in youth ministry is the constant turnover of youth ministers mark devries addresses the problem with a systematic answer churches need to take corporate responsibility for establishing a vision and structure for effective ministry rather than leaving it all up to the youth minister especially helpful for senior pastors and church leaders

alumni directory issue 1859 1951 v 44 no 4 v 45 no 1

the author focuses on children s ministries as the most crucial factor in readying people for the work of the church he then describes peer based leadership for youth ministry and new ways to construct family ministries

provides an inside look at the world of today s teenagers based on the author s firsthand experience

youth pastors in other countries have things they can teach us it can also help open our eyes to see how god is working in other nations this second edition of youth ministry across the continents now features local church youth pastors from

all six continents a compilation of stories and insights from youth workers who have been ministering to young people for many years new contributors include people from japan chile and a large church in ohio usa that has grown as a home group based ministry for more than 30 years readers can compare and contrast the advice of seasoned youth pastors across the globe on the same youth ministry topics some of the differences in approach and style reflect personality and some reflect culture others are to do with the church or denomination the youth worker belongs to be it presbyterian pentecostal anglican baptist independent evangelical or assemblies of god core issues covered include how to look after your own soul evangelism schools work parents and the youth pastor s vital relationship with their supervisor often the senior pastor minister or associate pastor in addition to being organised by topic and not contributor end of chapter discussion questions better enable readers to personally reflect or share their thoughts with others on the key issues read alongside a book like operation world by jason mandryk and patrick johnstone youth workers can also consider what god is doing in each of the countries they are reading about the book would make informative compulsory or additional reading for a youth ministry or missions class helping to expand the students view of the world it offers wonderful nuggets of wisdom and supplies a broad range of perspectives while reinforcing principles common to youth work across the globe inspiring practical and educational this book provides readers with ideas and situations they may have never considered as veteran youth worker and professor len kageler writes in the foreword i had several i never thought of that moments as i read along so grab yourself 150 years worth of international youth work experience all in one book

the most powerful force in a young person s life is his or her family the importance of this is pointed out in the writing of the torah in deuteronomy 6 4 9 where believers are mandated to pass their family legacies to the next generations the newest trend in youth ministry today is a very healthy move toward family based ministry a mind set that helps the church act as a support system while placing discipleship and training back into the hands of family partnering with parents in youth ministry will help youth workers understand their unique role in helping families succeed and will give an overview strategy of family based youth ministry as well as practical ideas on implementing this awesome ministry in your church

join the conversation as experts propose defend and explore four views of youth ministry and the church in a dialog that often gets downright feisty four youth ministry academicians delineate their distinct philosophical and ecclesiological views regarding how youth ministry relates to the church at large and leave a taste of what s profound and what s not in these four typologies inclusive congregational malan nel what happens when a church thoroughly integrates its

adolescents making them full partners in every aspect of congregational life preparatory wesley black why and how should a church consider its teenagers as disciples in training and its youth ministry a school of preparation for future participation in church life missional chap clark what does a church look like whose youth ministry does not necessarily nurture church kids but is essentially evangelistic whose youths and youth workers are considered missionaries strategic mark senter how feasible is it for a youth ministry to become a new church on its own the youth pastor becoming the pastor and the new church planted with the blessing of the mother church in four view of your ministry and the church solid academic writing and an inviting tone and design create a compelling text for both in the field practicing youth workers and undergraduates and graduate students

a world list of books in the english language

faith is much more than believing in something faith is acting on the basis of that belief the relevant nation tells the stories of 50 people under the age of 40 all of whom are living active passionate lives that have grown out of their christian faith these conversational profiles will inspire readers to serve others improve their own lives and grow closer to god by becoming all that he designed them to be
