amerikansk l^ørebog i psykologisk krigsf^ørelse bl a beskrives principper og doktrin for psykologisk krigsf^ørelse psykologisk krigsf^ørelse i amerikansk historie gennemf^ørelse af psykologisk krigsf^ørelse herunder organisation anvendelse af personel planl^øgning analyse samt den psykologiske krigsf^ørelses m^øll og metoder i et afsluttende kapitel behandles sovjetisk psykologisk krigsf^ørelse som den blev praktiseret frem til midt i 1950 erne under den kolde krig i v^ørket gives en r^økke eksempler p^ø psykologisk krigsf^ørelse bl a fra 2 verdenskrig og koreakrigen

in psychological warfare paul myron anthony linebarger presents a pioneering exploration of psychological operations in the realm of military strategy written in a concise yet erudite style linebarger deftly intertwines historical examples with theoretical insights offering a comprehensive analysis of how psychological tactics can manipulate perceptions in warfare published amid the cold war s burgeoning complexities the book provides an acute understanding of the psychological dimensions of global conflicts making it a seminal text in both military studies and psychology linebarger s fusion of psychological theory with tactical application reflects a salient awareness of the shifting landscapes of power and influence during a time of heightened ideological confrontation linebarger also known for his work in literature and political science cultivated a deep understanding of psychological warfare through personal experience and extensive research as a u s army specialist and advisor in psychological operations during world war ii and the korean war linebarger witnessed firsthand the transformative impact of psychological tactics in shaping both enemy behavior and public perception his interdisciplinary approach draws from psychology sociology and history reflecting a holistic perspective on conflict that is both critical and innovative this book is essential for scholars military strategists and anyone interested in the interplay between psychology and warfare linebarger s insights resonate beyond military applications offering a framework for understanding persuasion and influence in contemporary society readers will find a rich tapestry of ideas that encourages further reflection on the implications of psychological warfare in an increasingly complex world in this enriched edition we have carefully created added value for your reading experience a succinct introduction situates the work s timeless appeal and themes the synopsis outlines the central plot highlighting key developments without spoiling critical twists a detailed historical context immerses you in the era s events and influences that shaped the writing a thorough analysis dissects symbols motifs and character arcs to unearth underlying meanings reflection questions prompt you to engage personally with the work s messages connecting them to modern life hand picked memorable quotes shine a spotlight on moments of literary brilliance interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

forfatteren fortæller om psykologisk krigsførelse og propaganda med selv historiske som med moderne briller på bogens sidste afsnit handler om psykologisk krigsførelse efter 2 verdenskrig

the birth of psychological war explores the worlds of war propaganda intelligence and espionage from which us psychological warfare emerged in the early years of the second world war developed during the cold war of ideas against the soviet union and culminated in the counterinsurgency campaigns of the vietnam war

the birth of psychological war explores the worlds of war propaganda intelligence and espionage from which us psychological warfare emerged in the early years of the second world war developed during the cold war of ideas against the soviet union and culminated in the counterinsurgency campaigns of the vietnam war

originally published in 1948 and used as a textbook by the united states army for years this authoritative guide provides a complete theoretical exploration of the purpose and nature of propaganda in times of war detailing and defining the history strategies limitations and effectiveness of psychological warfare this reference allows readers to draw comparisons to the modern usage of such techniques that exist in the news media and within advertising and political campaigns print ed

the psychological war for vietnam 1960 1968 for the first time fully explores the most sustained intensive use of psychological operations psyop in american history in psyop us military personnel use a variety of tactics mostly audio and visual messages to influence individuals and groups to behave in ways that favor us objectives informed by the author s firsthand experience of such operations elsewhere this account of the battle for hearts and minds in vietnam offers rare insight into the art and science of propaganda as a military tool in the twentieth century the psychological war for vietnam 1960 1968 focuses on the creation capabilities and performance of the forces that conducted psyop in vietnam including the joint us public affairs office and the 4th psyop group in his comprehensive account mervyn edwin roberts iii covers psychological operations across the entire theater by all involved us agencies his book reveals the complex interplay of these activities within the wider context of vietnam and the cold war propaganda battle being fought by the united states at the same time because psyop never occurs in a vacuum roberts considers the shifting influence of alternative sources of information especially from the governments of north and south vietnam but also from australia korea and the philippines the psychological war for vietnam 1960 1968 also addresses the development of psyop doctrine and training in the period prior to the introduction of ground combat forces in 1965 and finally shows how the course of the war itself forced changes to this doctrine the scope of the book allows for a unique measurement of the effectiveness of psychological operations over time

psychological warfare or the basic aspects of modern psychological operations have been known by many other names or terms including military information support operations psy ops political warfare hearts and minds and propaganda this manual provides a cutting edge distillation of some of the most influential concepts of dark psychology techniques honed over the centuries by politicians strategists speakers performers and sellers around the world this manual can be in your hands but use it with diligence here are some areas that you will discover within the art of psychological warfare what sun tzu and machiavelli can teach you to destroy your enemies how to spot dark personalities and how to defend yourself from their influence the psychology of deception influence and domination the art of blackmail and manipulation how brainwashing works insects organizations and brands how political propaganda and media tactics manage to do what they want with the masses the art of war applicable to work relationships and the business world

is it really possible to invade an enemy s mind and win without a fight can you achieve your goals by having others do the dirty work for you have you ever wondered why politicians speakers and performers get everything they want are you tired of others always getting the better of you at work or in the rest of your life do modern life hack tips always seem repetitive to you if you ask yourself these questions the answer is the art of psychological warfare psychological warfare has existed since the beginning of time ancient documents such as the art of war by sun tzu or historical people such as alexander the great genghis khan and niccolò machiavelli are examples of people who understood the timelessness of military and psychological strategies with the progress of time up to the present day the art of war has become increasingly subtle and difficult to identify since the mid twentieth century great advances in our knowledge of the most effective methods of mass communication and persuasion have been visible in a wide range of professional fields including journalism marketing public relations interrogation and public opinion studies however these successes have also had troubling implications propaganda subversion intimidation disinformation large scale lies deception counter insurgency brainwashing and manipulation of public opinion in which our individual freedom of thought is constantly under attack this manual provides a cutting edge distillation of some of the most influential concepts of dark psychology techniques honed over the centuries by politicians strategists speakers performers and sellers around the world this manual can be in your hands but use it with diligence here are some areas that you will discover within the art of psychological warfare what sun tzu and machiavelli can teach you to destroy your enemies how to spot dark personalities and how to defend yourself from their influence the psychology of deception influence and

domination the art of blackmail and manipulation how brainwashing works in sects organisations and brands how political propaganda and media tactics manage to do what they want with the masses the art of war applicable to work relationships and the business world this book is not a joke like it or not out there there will always be people who will try to hurt you or try to use you for their own pleasure or benefit you are not the only person with access to psychological warfare methods if you don t already know it chances are you are a lifelong victim in this book the author studies the various forms of psychological warfare the dark personalities the key elements of this psywar and most importantly how we can fight back and win it is without doubt the best gift you can give to yourself the principles in this book are not hype they have survived through the ages and will continue long into the future after reading this book you will never be the same again

a collection of essays that provides analysis and commentary on psychological warfare in the battle against terrorism psyop techniques adopted by different palestinian groups against israel and actions that promote the palestinian cause in the west israeli strategies for combating radical islam and more

a reprint of the official history of the psychological warfare division of supreme headquarters allied expeditionary force the original book was printed in the american zone of germany at the end of the second world war with a small restricted circulation
